P278 Date Prep

Yeah, get that hair tied up just right...cuz THAT's gonna be what your date notices. :^) Once again we have Jess's shapely legs poking at us like electric cattle prods to our libido.

You gotta love polka-dot summer dresses. A little retro and very feminine.

Curiously, I've never considered armpits as particularly sexy, but with this picture, they really are. I think it's because her arms are fit. Surrounded by muscle and sinew,

the smooth hollows seem particularly tender; I want to tickle them.

Anyway, beautiful pose, especially with the glamour-mag skyward-cast eyes.
